WELCOME TO GRANDVIEW HEIGHTS

Minutes from downtown Columbus but in a class of its own, Grandview Heights combines the **energy of urban living** with the **welcoming, neighborly attitude** you'd expect from a city its size. At just over 1.3 square miles, Grandview Heights boasts **walkable streets, trendy shops, and stellar dining**—all boosted by its proximity to The Ohio State University campus, downtown Columbus, and the Arena District, which offers plenty of additional options.

Watch international athletes compete at the Arnold Sports Festival, catch an Ohio State Buckeyes football game at The 'Shoe, or head to the Arena District for a concert, baseball, or hockey game.

While every effort is made to ensure accuracy in this guide, all data is subject to change without notice. Travelers are advised to contact individual businesses or organizations to verify details.

MARK YOUR CALENDAR

There's never a shortage of activities in Grandview Heights, from city-sponsored events to a host of nearby festivals.

June marks the beginning of the popular **Grandview Hop** season. As other neighborhoods settle down for the evening, the half-mile stretch of Grandview Avenue buzzes to life with music, shopping, art and more. Enjoy strolling this sidewalk market, sample food truck creations and sip local craft beer in the pop-up beer garden. The party continues all summer long from June to September.

As the weather cools, **Fall Fest** heats up. The family-friendly festival at Wyman Woods is full of seasonal-themed free activities to complete, inflatables to bounce in, live music to dance to, and food trucks to fill your bellies.

Winter brings the annual **Holiday in the Heights**, a holiday tree lighting celebration where a student choir and refreshments are sure to warm your spirits. Take a spin on the iceless skating rink or enjoy the sights of the ice sculpture carving before a visit from Santa Claus himself.

If live music is your jam, you won't want to miss the concert series presented by the Grandview Heights Public Library. In the summer months, **Music on the Lawn** has been entertaining residents and visitors outside the library for over 35 years with its free tunes and food trucks.
